

**REPORT FOR DELEGATES
IRSC 2004 PERTH**

IRSC CD PROJECT

**A Project to collate the various
papers presented at each of the
INTERNATIONAL RAIL SAFETY
CONFERENCES
held between 1990 & 2000
into a CD Format**

CONCEPT

**The concept of producing a CD
of previous IRSC Papers was
identified by the Delegates at
the
1999 BANFF IRSC**

LONDON IRSC APPROVAL

**Unanimous approval given on
10 November 2000 for the
establishment of a CD Project
Group for the coordination of the
production and distribution of
conference papers for the years
1990 to 2000 in a CD format**

CD PROJECT GROUP

Co-ordinators:

BILL CASLEY & JOHN HALL

**Assisted by
16 co-opted Members
from 12 Countries**

THE CD

While every effort was made to locate all material, some items were not included because at the time they were either verbal presentations or video clips & as such were not available for inclusion in the CD.

AGREEMENT TO INCLUDE

Agreement to include papers in the CD was withheld by only one organisation (one paper).

THE CD

The CD represents:

- A unique aid to railway safety practitioners
- A record of eleven years of IRSC papers (1990 to 2000).

The CD contains

356 Papers

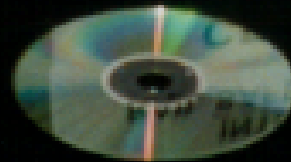

involving

4856 Pages

INTERNATIONAL
